**Every year,
thousands
of American
children are
forced into
sexual slavery.**

**You can help
put an end to it.**

**Domestic Minor
Sex Trafficking ...**

**I'm not
buying
it.**

Here Are the Signs:

- Malnourished
- Often misses school
- Branding or tattoos
- Runaway/homeless
- Doesn't know what city in and/or travels a lot
- With an older, controlling person
- Looks scared, nervous, shamed
- Won't make eye contact
- Different shades of bruising, scars
- Uses a lot of street language
- Sudden change in clothing

What to do:

- Do NOT approach a suspected victim, trafficker or buyer. You could be seriously injured or killed and you will put the victim in danger.
- Gather as much information as you can from a distance: height, weight, hair color, tattoos, scars or bruising, clothing, trafficker description, car description.
- Immediately call **911** with the gathered information.
